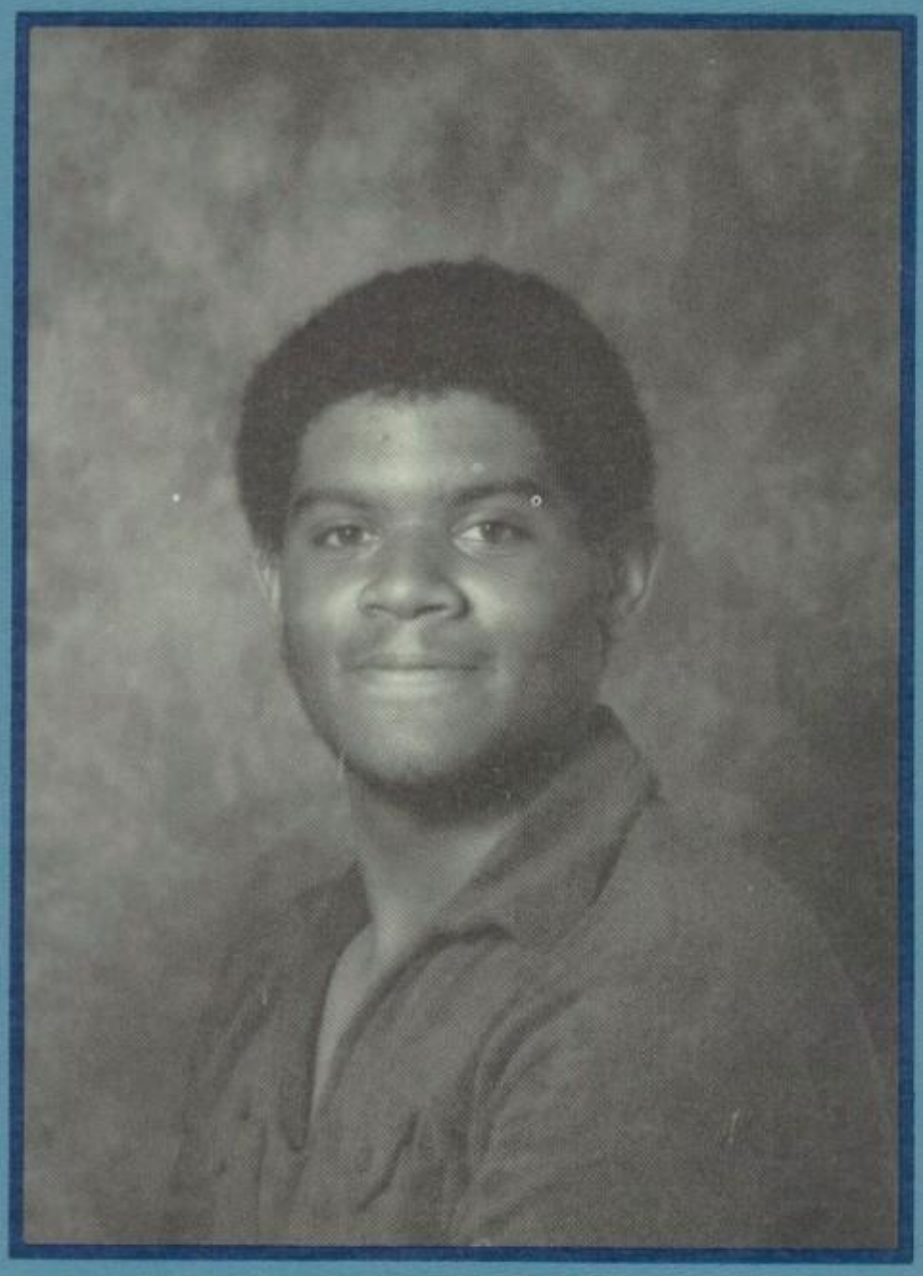
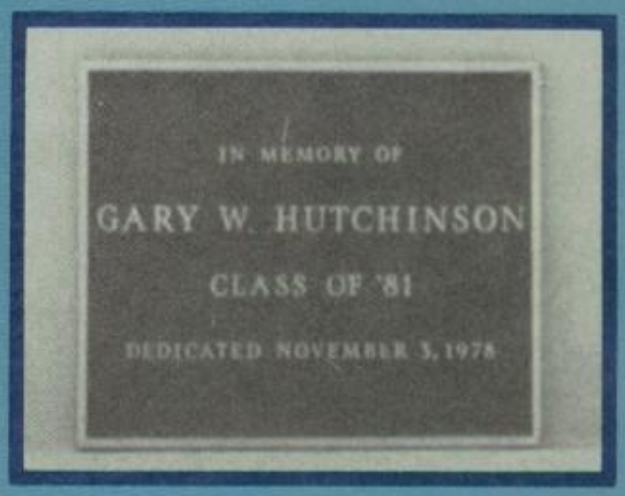
VOYAGER DEDICATION



GARY W. HUTCHINSON



The Voyager staff of 1978-79 dedicates our school yearbook to GARY W. HUTCHINSON. Gary became a member of SBHS family in 1977 as a very spirited and loving freshman. His dedication to the school and football has left us with memories we will never forget. God bless him and may he rest in peace.

The Long and Winding Road

by
John Lennon & Paul Mc Cartney

The long and winding road
that leads to your door
will never disappear
I've seen that road before
it always leads me here
lead me to your door
The wild and windy night
that the rain washed away
has left a pool of tears
crying for the day
Why leave me standing here
let me know the way
Many times I've been alone
and many times I've cried
Anyway you'll never know
the many ways I've tried
but still they lead me back
to the long and winding road
You left me standing here
a long long time ago
Don't leave me waiting here
lead me to your door.

This season for the Vikings had its high and low points due to a slow start. But the Vikings put it into gear by winning important league games to set them to their goal, which was the playoffs. Thanks to a good defense which prevailed many teams, it inspired our offense to do their job.

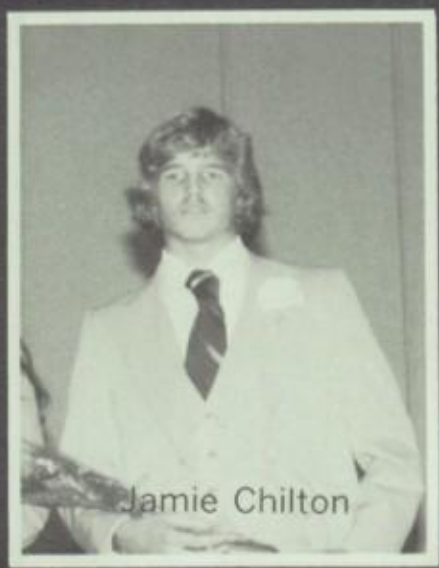
Mr. Wonderful!

George Campos



Jamie Chilton

For the first time in the history of St. Bernard's A.S.B. held the "Mr. Wonderful Contest". The class of '79 hopes that the remaining classes will continue this unique tradition that they have established. Much thanks to A.S.B. for all their hard work!

ASB

This year ASB worked hard and accomplished much. With their annual events 'Welcome Week' and 'Spirit Week', plus new activities such as the Mr. Wonderful Contest and Dance, the Computer Dance, and 'Dime a Dip, ASB were quite successful. We owe them much gratitude.

ADMINIS

Colonel John P. Hughes
Principal

To: The Class of 1979

I do not challenge you to solve all of the problems of our world, for you cannot do it alone. I do challenge you to go forth as Christian leaders and followers, to do your best to assist in solving these problems. For most of you, graduation will be the culmination of twelve years of preparation to live your adult lives in accordance with Catholic tradition and doctrine. The choices and decisions of life are now your responsibilty. Indeed, for sometime now they have been, at least partly, your responsibilty. I hope God will provide you with many opportunities for happiness and success, and that He will give you the strength to bear the crosses that you may be asked to accept. Perhaps someday you will come to realize and appreciate the role Saint Bernard High School played in preparing you for life.

My prayers and best wishes go with you.

Col (Ret) John P. M. Hughes

TRATION

Miss Shamey
Assistant Principal

I would rather I died in yearning and longing, than that I lived weary and despairing.
I want the hunger for love and beauty to be in the depths of my spirit, for I have seen those who are satisfied the most wretched of people.

Fr. Peter
Dean of Students

A Blessing:
"May you stay forever young"
Existentially yours

Ms. Hourigan
Dean of Studies

Life is a mystery to be lived-
not a problem to be solved.

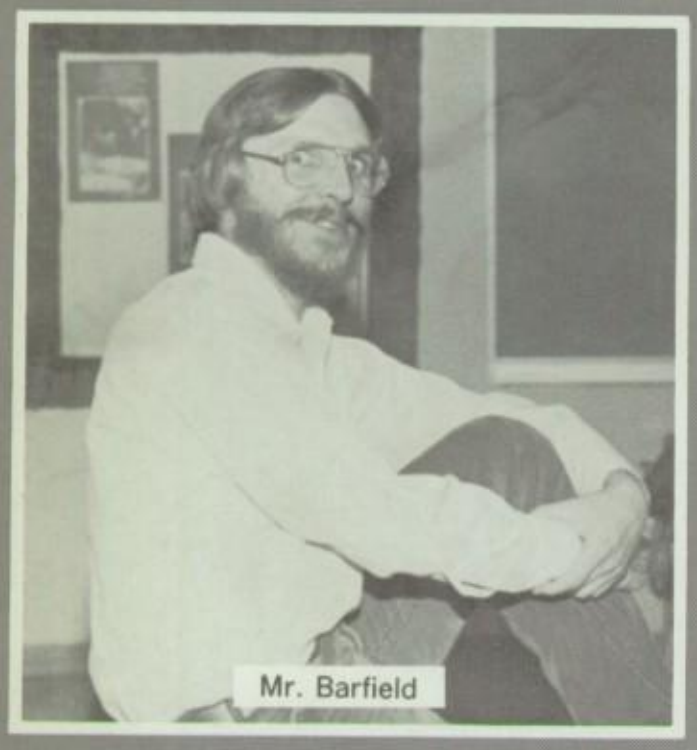
Mr. Amendola
Dean of Student
Activities

Use what talents you posses, and live life to your fullest- enjoying every minute of it.

RELIGION

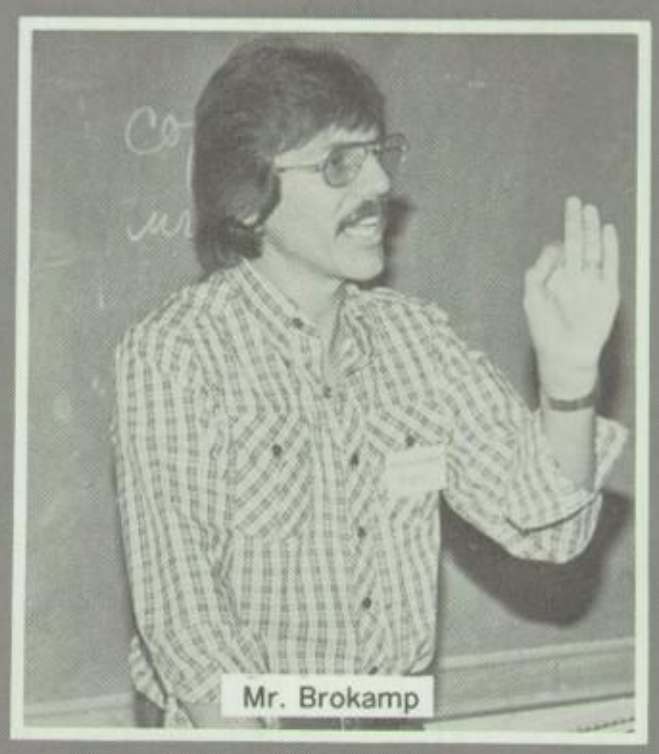
"Act justly;
Love tenderly;
Walk humbly
with your God."
Micah 6:8

Sr. Karen



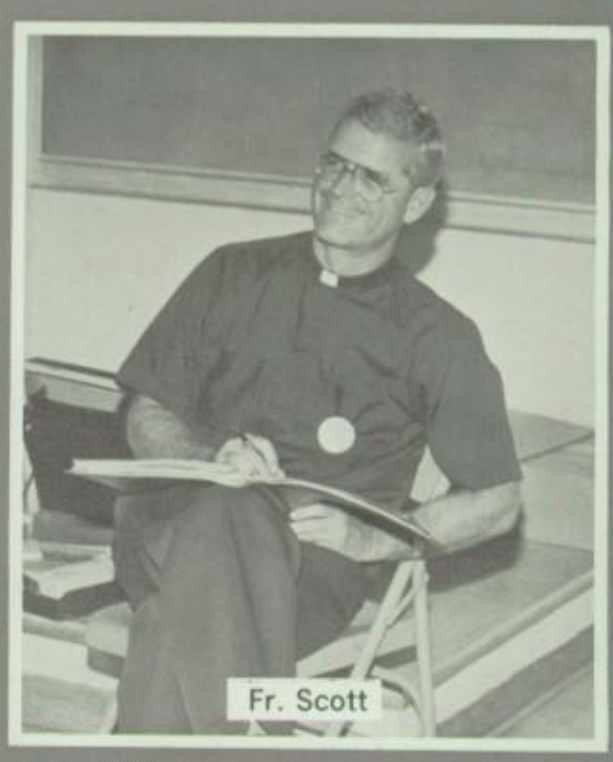
Mr. Barfield

"It has been obvious that for 4 years your class has been trying."



Mr. Brokamp

"Enjoy life! Be Happy!
You're beginning a great adventure—
so learn from it and have fun."



Fr. Scott

A time like this demands
Strong minds, great hearts,
True faith and ready hands;
Men whom the lust of office
Does not kill;
Men whom the spoils of
Office cannot buy;
Men who possess opinions
And a will;
Men who have honor—
Men who will not lie
Tall men, sun crowned
Who live above the fog
In public duty,
and in private
Thinking...
Josiah Gilbert Holland

SCIENCE AND MATH FAIR

Each year Sr. Sharon dedicates her time and effort to the Science Fair. This year she dedicated her time and effort to the Science and Math Fair. The Fair does not only exhibit experiments and ribbons, but it also educates the viewers from the explanations of the projects, given to them by the student experimenters. Thank you Sr. Sharon and SBHS students for the very educational experiments.
